QUALITY POLICY STATEMENT

Southbris Enterprises Proprietary Limited has experience and expertise in Vegetation Solutions. It is our policy to ensure that any work carried out within the scope of the business complies with the Quality Management System and applicable regulatory requirements. Southbris Enterprises Pty Ltd undertakes all activities with established, implemented and maintained systems and procedures, ensuring the public, the customer and employee's safety. These consistent controls are also applied to ensure all activities are conducted in a safe, healthy and environmentally aware manner.

Adherence to this Policy is a mandatory requirement of every person who is involved with Southbris Enterprises and is to be followed by all personnel, contractors and interested parties.

James McCullagh has been appointed as the Management Representative for the purposes of the Quality Management System. The Management Representative has the full support of Southbris Enterprises Proprietary Limited to establish, implement and maintain the Quality Management System in accordance with this manual, ISO 9001:2015 and other applicable regulations, standards and guidance.

This Policy is issued to clearly indicate the commitment of Management with regard to quality, safety, environment and related matters to ensure the long term success of the company and its employees, placing our business in a competitive position with a reputation of achieving both employee, community and customer satisfaction.
